

Episcopal Mission of Warren County

St. Francis Of Assisi

God, you are my God and I will ever praise you

God, you are my God and I will ever praise you

I will seek you in the morning,

I will learn to walk in your ways

And step by step you'll lead me

And I will follow you all of my days

-Step by Step by Rich Mullins

We often sing these words as we leave church and they inspire us to go out into the world to “love and serve the Lord.” We must all decide how best to do this.

Step by step God leads us; He shows us by actions and parables what it means to be a follower of the one true God. What steps can we take to accept God’s challenge and truly be followers?

Step by step throughout our lives we look to God and the church to feed us, literally through the Eucharist, and also spiritually. As we become nourished, we must also give back to support our missions and one another. We do this by prayer and attendance, but also through sharing our assets. Our time, talent and treasure are ways to give back and say thank you to God for his grace and love and acknowledge his many blessings in our lives.

Currently the leadership of the Episcopal Mission of Warren County is taking steps to develop a budget for the upcoming year. It is from the pledges, of you the body of Christ, from which the budget is developed. This budget then allows the church to determine the best steps to take and areas to place our resources to further God’s mission in Warren County and in the world.

Please prayerfully consider all the ways Jesus has lead you step by step and how you can share the love of God with others by not only becoming involved with your fellow parishioners, but also by giving generously to support the work of the Episcopal Mission of Warren County.
